

And whatever you do, in word or deed,

...do everything in the name of the Lord Jesus, giving thanks to  
God the Father through him. Colossians 3:17

*Happy Valentine's Day!*

Lots of pictures and important news ahead!

As I begin this newsletter, I hear fireworks, car horns and musicians - at 5am! February 14 is the anniversary of Matagalpa elevating to the level of "city," and today is the 162nd anniversary. Every special occasion has 5am fireworks and music to start the day. Since we live in the city and we have open windows, we get to share in all the joy. I'm not complaining because it is kind of fun, and we're usually already awake.

Our staff for the 2024 academic year. We had just arrived at the International campus in Managua for a day of development, inspiration and fellowship with all three NCA campuses.

**A bus full of NCA staff heading to Managua**

Whatever you do, work heartily, as for the Lord and not for men, knowing that from the Lord you will receive the inheritance as your reward. You are serving the Lord Christ. Colossians 3:23-24

Our teachers spent two weeks preparing for the 2024 school year. In the next pictures you can see them praying for each other. The staff does a prayer walk around the campus and prays together for the teachers, guards, maintenance workers and administrative staff. God has blessed our school in that there is a sweet spirit of encouragement and dedication among the staff and the students. 2024 is off to a good start!

The teachers worked together to enhance lesson planning and explore instructional methods.

Greg is in his 45th year of education! You can see the benefits of his work with young people when the Kindergartners visit him with their happy smiles.

Our alumna Cristhel, to the far right, led this group of college students to the model UN event in Washington, DC. She is one of our Walton scholars and is in her 2nd year at University of the Ozarks. We are proud of her - how she has continued to excel and show leadership. Please continue to pray for her, as well as Shantee and Angielinne, that God will guide and protect them, and keep them close to himself.

If then you have been raised with Christ, seek the things that are above, where Christ is, seated at the right hand of God. Set your minds on things that are above, not on things that are on earth. Colossians 3:1-2

We had a wonderful time in the US over Christmas! It was great to see our beloved children and grandchildren. We so appreciate the opportunity to have this visit! In the above picture are: me, Will, Andrew, Teddy, Jonathan, Joshua, and Nate. (Bonnie was at work at Starbucks and Greg took the photo.)  
Fun times in Mississippi!

The next picture shows the winners of an escape room challenge - we found the missing painting in record time!

Kara, Eddie and Win welcome sweet Lana Sigrid Kelly (Siggy)!  
She arrived Jan 27 and has been a joy to her family.  
Win is being such a good big brother.

The big news for Tim, Anna and Hattie is that they have moved to Colorado. Tim accepted a position with his company to help them renovate their facility there. They moved three weeks ago.

Shift Manager Bonnie at her Starbucks. This is her third stint working at a Starbucks. Nate and I dropped in to visit her and get a mocha.

Put on then, as God's chosen ones, holy and beloved, compassionate hearts, kindness, humility, meekness, and patience.  
Colossians 3:12

Progress continues on staff homes, using the funds you have generously given. Below is a recent picture of a teacher's kitchen, with the new cabinets installed. ("before" pictures are in previous newsletters)  
What a difference - her kitchen is quite nice now.

Over the Christmas break 8 water tanks were installed, and now 9 more are funded. These materials have been purchased and our maintenance men will install them soon. The maintenance team does this work after hours, which enables them to earn some extra income.

The tanks are placed as high as possible to increase water pressure. You can see the tubing that will fill the tank when the city water is on. The tank gives families a back-up supply since the city water is off more than it is on. Those who don't have city water must manually fill the tank from the large water trucks that circulate through the remote areas.

**A water  
tank added  
to this  
house**

We have shown pictures of these two houses in previous newsletters, and the work continues. Below you can see the second story that has been added to our accountant's house. They will get a water tank also.

Continue steadfastly in prayer, being watchful in it with thanksgiving. Colossians 4:2

Our prayer requests:

Strength and wisdom for Greg and me so that we can meet the challenges of each day

That our children, their spouses and our 6 grandchildren will be guided by the truth, peace, and love of God

That God will continue to work in our school as he has already; may the good spirit shown so far continue as the school year progresses

Grace and I (Greg) are committed to spending as little as possible on ourselves to have the maximum with which to bless others here whose needs are much greater than ours.

God has been generous with us, through you, and for that we are most grateful.

Listed below are several ways that you can make a tax-deductible donation.

#### MAIL A CHECK

You may write a check made out to Missionary Ventures, with a note indicating "Field Coordinator Ministry – Preferred for Greg and Grace Kynast," and mail it to Missionary Ventures International

1017 Maitland Center Commons Blvd

Maitland , FL 32751-7205

#### DONATE ONLINE

You may make an online donation with a credit card through the Missionary Ventures website.

By clicking [this link](#), you will find a secure online donation process.
